

# TASTE OF CARLSBAD VILLAGE TICKET HOLDER INFORMATION

**\* This event is sold out \***

The **Taste of Carlsbad Village** is right around the corner on **Thursday, October 10, 2019**, from **5pm to 8pm**. Below is important information for registered ticket holders to help you make the very most of the event:

The **Taste of Carlsbad Village** is a self-paced event. You can start at whichever participating location you wish and sample your way through the Village. The Passport is your key to the event. The event Passport (worn around your neck on a lanyard) will be your map and guide to the participating restaurants, Sip Stops, and music locations. **Bring your registration confirmation with your QR Code, either in print or on your phone, to pick up your Passport.** You can pick up your Passport and lanyard at several locations as outlined below. We highly recommend that you pick up your Passport **in advance** of the event so that you can start enjoying the amazing food being served as soon as **Taste of Carlsbad Village** begins at 5pm, without any delay!

## **SIP STOP ID CHECK:**

If you have purchased a Sip Stop ticket, you are entitled to sample the amazing craft beers, wines, and hard kombucha at Sip Stop locations along the route. You must be 21 or over to be issued a Sip Stop wristband. Bring a valid ID with you and be prepared to have your ID checked **at the event**, prior to your first Sip Stop sample. You can visit one of the four ID Check Stations noted on your Passport during the event. With valid ID you will be issued **a wristband and a reusable sampling cup** which will provide you entry into the Sip Stops. We follow all ABC licensing laws regarding Sip Stop rules and regulations.

**CAN I PICK UP A FRIEND'S PASSPORT FOR THEM?** Only if you have their QR code either printed out or on your phone. Otherwise, no. For obvious reasons, only the buyer who purchased the ticket can pick up the passport. If a buyer has purchased multiple tickets in his name – one for himself as well as for others in his party – the buyer can pick up all the passports contained in the purchase under his name. But, for example, Bob Smith cannot pick up a passport for his friend Sally Jones, unless he has her confirmation email.

**HOW ABOUT THE KIDDOS?** While there is no “lower priced” children’s ticket available, your little ones can share an adult’s sample bite. Only one food sample per ticketed person allowed though. Please do not ask the restaurant for additional bites.

**DOGS:** While Carlsbad Village is a very dog-friendly place, Taste of Carlsbad Village is not a dog-friendly event. Many of the restaurants sample their signature bites inside their restaurants and dogs are not allowed inside. Best to keep the pups at home.

**PARKING:**

There are several public parking lots in the Village – two on Roosevelt between Carlsbad Village Drive and Grand Avenue, and one on State Street south of Carlsbad Village Drive, as well as the Coaster Station Parking lot. We highly encourage you to consider Uber, or carpooling, or the Coaster whenever possible.

**SPONSORS:**

We would like to thank our title sponsor, Mission Federal Credit Union, for helping make this event possible, and to our event sponsors, Toyota Carlsbad, Palomar Mountain Water, ReEarth Consulting, Waste Management, and the City of Carlsbad for their generous support. And, it goes without saying that we owe a huge thank you to the restaurants, Sip Stop vendors and their gracious hosts as well!
