State Street Farmers' Market Non-Profit Booth Policy

BACKGROUND

The State Street Farmers' Market, held every Wednesday in Carlsbad Village, designates one booth space per market for local, non-profit charitable organizations per permit description below.

SCHEDULING

Scheduling for the non-profit booth will be completed by the market manager one quarter at a time. A non-profit organization may schedule use of the booth up to two (2) times per quarter.

If there is a vacancy that has not been filled the week prior to a particular market, an email will be sent to past participating non-profit organizations, and of those interested, one will be selected randomly to occupy the booth space.

Quarters break down as follows:

- January – March
- April – June
- July – September
- October – December

USE & ACTIVITY

The non-profit booth is solely for promoting charitable causes, community organizations, or City of Carlsbad activities only. Any activity or materials promoting a for-profit business or venture will result in forfeiture of all future non-profit booth privileges.

EFFECTIVE

This policy is effective February 12, 2014.

DESCRIPTION:

The applicant shall provide a minimum of one (1) vendor space at the Farmers Market for local non-profit groups doing fundraising. If there is not a non-profit group seeking a booth for fundraising, the applicant may rent the unused booth to other approved vendors. Local non-profit groups shall be those non-profit groups providing social, athletic or recreational services or activities for residents in the City of Carlsbad.
